

Why pay for cores if you don't have to?

You can now get roll labels with 1" ID...
without the cores!!

Eliminate the cost...waste...hassle!

Every label is usable – even the last one!!

Great idea for:

- parking labels
- asset or property labels
- any hand applied label

Just give us a call or e-mail if you would like sample rolls.

Call on Label.Com for all of your label needs!
